Lyrics and music by
Stevie Wonder

Intro

Refrain

Couplet

Call up, ring once, hang up the phone
To let me know you made it home
Don't want nothing to be wrong with part-time lover
If she's with me
I'll blink the lights
To let you know tonight's the night
For me and you my part-time lover

Refrain

*We are undercover passion on the run
Chasing love up against the sun
We are strangers by day, lovers by night
Know it's so wrong, but feeling so right*
